# Data sheet for electrical domestic fridges and freezers as well as respective combinational appliances

Norm: 94/2/EG Attachment II

| Miele | | | | | | | |
|---|---|---|---|---|---|---|---|
| Model name/ model ID number | | | FN 12827 S | | | | |
| Product type | | | | | | | |
| Energy e [1]) | | | | | | | |
| A++ (highest efficiency) to G (lowest efficiency) | | | A+ | | | | |
| Energy usage [1]) [2]) | | kWh/Year | 330 | | | | |
| Net volume, Fridge part [1]) | | l | | | | | |
| Net volume, Freezer part [1]) | | l | 261 | | | | |
| Star rating [1]) [3]) | | | 4 | | | | |
| No Frost [1]) | | | – | | | | |
| Storage time with interruption [1]) | | h | 43 | | | | |
| Freezing volume [1]) [4]) | | kg/24h | 20,0 | | | | |
| Climate class [1]) | | | SN-T | | | | |
| Noise level [5]) | | dB(A) re 1 pW | 41 | | | | |
| Configuration | | | | | | | |
| Freestanding appliance (underneath worktop possible) | | | / | | | | |
| With work top at table height | | | | | | | |
| Built-under appliance / integrated [6]) | | | / | | | | |
| Built-in / integratable [6]) | | | / | | | | |
| Door hinging [7]) | | | left | | | | |
| Décor frame included / retrofit | | | – / – | | | | |
| Dimensions | | | | | | | |
| Product dimensions | Height | cm | 185,0 | | | | |
| | Width | cm | 60,0 | | | | |
| | Depth [8]) | cm | 63,0 | | | | |
| Niche dimensions for assembly | Height | cm | | | | | |
| | Width | cm | | | | | |
| | Depth [8]) | cm | | | | | |
| Net weight [9]) | | kg | 82,5 | | | | |
| Electrical specifications | | | | | | | |
| Voltage | | V | 220-240 | | | | |
| Power consumption | | mA | 1.300 | | | | |
| Fuse | | A | 13 | | | | |
| Frequency | | Hz | 50 | | | | |
| Name and address of supplier | | | Miele & Cie. KG, Postfach, 33325 Gütersloh | | | | |
| Note:: | | | | | | | |

• Yes, available

[1]) Values determined by norm EN 153.

[2]) Based on findings of the norm testing for 24h. The actual usage depends on operating conditions.

[3]) *____ = compartment –6°C or colder.
+++ = deep-freeze storage compartment –18°C or colder.
*+++ = Freezer - and deep-freeze storage compartments –18°C or colder with a minimum net freezing volume.

[4]) The net freezing volume is reachable, depending on product configuration, only after switching on permanent operation and it is not reachable Please consider the instruction manual.

[5]) Values determined by norm 60704.

[6]) Can be integrated when using furniture door.

[7]) Door hinging: r = right, l = left, w = adjustable.

[8]) Depth including distance to wall.

[9]) Please conside

Note: Table established 07/05. Subject to further development.
